Testimonials

I would like to say a massive thank you. Your service is fantastic and the staff member I spoke to on the phone was just wonderful. On such a busy day and considering I put a late order in. The hamper has been delivered and you really made someone's day. Thank you, thank you.

- Debbie

I ordered a hamper yesterday mid-morning for a dear friend of mine and it got delivered on the same day! I know sometimes it is not possible, but I was pleasantly surprised by it. Keep up the good work, I will recommend you whenever I hear someone is looking for a extraordinary hamper.

- Gilberto P.

My girlfriend loved the Gold Class Tickets hamper. I looked at so many hamper sites and all I could find was either gourmet or pamper hampers for women. I am so happy that I have found you. You really do live up to your name "Everything But Flowers" I won't go anywhere else.

- Nick
